The exhibition series *ON VIEW*: in cooperation with students of the Universität der Künste Berlin, Faculty of Fine Arts, is already entering its fourth round in 2019. The exhibition series, which takes place annually in September at galerie burster berlin, offers art students a promotion and presentation platform outside the academic context, facilitates their entry into the art market and provides an immediate insight into the art of tomorrow.

ON VIEW: shows a curated selection of works by young talents who deal with personal, socio- and popcultural, but also space-specific issues - selected media are painting, video, sculpture and installation among others.

We are pleased to announce that galerie burster and the *ON VIEW*: series is shortlisted for the VBKI-Preis BERLINER GALERIEN 2019. The award ceremony will take place on Friday, 13 September 2019, 5 PM at Haus Huth, Daimler Contemporary, Alte Potsdamer Straße 5, 10785 Berlin.
