SHOT#SEVEN (六岛) | Island6

25 February – 3 March 2023

We are pleased to announce the seventh edition of *SHOTS* at galerie burster Berlin – *SHOT#* is a series of short exhibitions that provides a platform for experimental formats.

Island6 is a Shanghai-based multidisciplinary art collective founded in 2006 by curators, performance- and multimedia artists, tech geeks and creative talents. The collective produces animated LED objects and incorporates a variety of influences and styles from Chinese culture and history, such as papercuts, rice paper and Maoist and Communist imagery, into their works. Combined with the motif of urbanisation, which includes the technological progress and modernity of Shanghai, the collective's focus is on echoing scenes of old and new Chinese culture and in parts ironically questioning them.
